

Welcome, from the Friends of Barry Primary School...

A warm welcome to all parents and carers of new children who have joined our school this term, and welcome back to everyone else 😊

My name is Alexa, I am the chair of the Friends of Barry Primary School, our parent/teacher association. I have one daughter in year 4 and one who has just started secondary school after 7 years at Barry.

The 'Friends of Barry' organise many fun events throughout the school year, to raise funds for the school. We subsidise the cost of school trips, and help with school improvement projects. Here are some details of our upcoming events this term:

9th & 14th October – you will find us in the undercover area (next to the school hall) during parents' evenings, for our sample sale of brand new winter hats, scarves, gloves, plus jewellery and pocket money toys.

23rd October – we will be holding a spooky hallowe'en cake and sweet stall in the playground after school

11th December – our Christmas disco for Yr1-Yr6 is always popular, keep an eye on parent pay for ticket information and payment links.

Christmas cards – Your children have already been busy in class making beautiful designs which can be purchased as Christmas cards, coasters, mugs etc. An order form will be sent home with your children after half term, with all items delivered to the school in time for Christmas, they make great presents.

Christmas Raffle - prizes will include hampers full of festive goodies, plus vouchers generously donated by local businesses. Tickets will be sent home with your Children after half term.

Important – Help Needed!!

We are a small group of parents and teachers, we urgently need some new members to help us to organise and run our events. We understand that everyone is busy, but there's no need to commit to every event; if you are able to help at all e.g. on the sweet stall when your child is at the disco, by donating a raffle prize from your business, or by baking some cakes for us to sell, this would be very much appreciated. Thank you 😊
