Year 3 Curriculum Newsletter – Autumn Term 1

Our PE Days are Tuesday and Thursday, please ensure you are wearing the correct PE kit and warmer clothing on colder days. PE kit is navy shorts, a white t-shirt and black trainers.

RE

What makes us human.

English

We will begin the year by focusing on our presentation, handwriting and writing expectations for year 3.

We will be looking at a fictional text; The Lion the Witch and the Wardrobe by CS Lewis focusing on setting and character descriptions working towards writing a piece of narrative text.

During the first term, this is the book we will be reading and focusing a lot of our writing on.

Teach Computing

IT Around Us

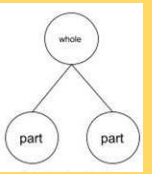
Computer Systems and Networks

Key Dates

14th October- Abington Park History trip.

Maths

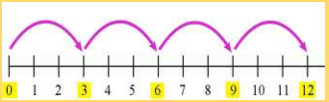
This term, the children will be looking at place value where they will count objects to 100, recognise tens and ones and explore the different ways numbers can be partitioned.



The children will also be learning how numbers are written.

They will be comparing numbers as well as plotting them and ordering them onto a number line.

Finally, they will be counting in 2's, 3's, 5's and 10's.



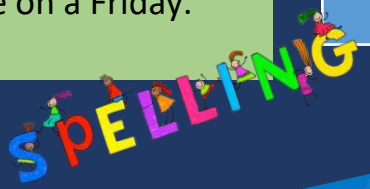
History
Our Local Area

This term in History, we will be focusing on our local area. We will be creating a timeline of significant events in Northampton, exploring the history of Abington Park and learning all about the past of Barry Primary School!

PSHE

This term's theme is:
Being me in my world

Spellings and times tables will be on a Friday.



Science: Animals, Including Humans.

This term in Science, Year 3 will be focussing on different animals, including humans. We will be exploring nutrition and considering what is a balanced diet. We will also be finding out about how skeletons and muscles work to support protection and movement and carrying out exciting experiments to put what we have learnt in action.

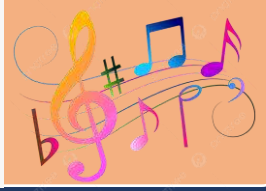
Art

Focus: Drawing

This term we will be practising gestural drawing with charcoal.

Music

Charanga
'Let your spirit fly'



Spanish

In Year 3 pupils will start with phonics and exploring vowels, practicing this through a range of activities. Learning their numbers 1-10 and how to ask and give their age.
